Happy New Year

Happy New Year to you all! I hope everyone is having a great 2003 so far. I want to introduce myself, my name is John Cahill. I am the 2003 secretary and editor of CWA newsletter. A little background I suppose is in order here; I've been woodworking now for a year and a half and have enjoyed every moment of it. That is when I get some time to do a little woodworking. I host my own website to share pictures of my projects with friends and family. Professionally I am a Senior Network Security Engineer with a local utility company. Thank you and if you have any information you want included in the newsletter, classifieds, wanted ad or tips to share with your fellow CWA members please email me at jwcahill@gonetinnovations.com.

Meeting Time

Meetings of the Charlotte Woodworker's Association are held the third Monday of each month, except for December. Meetings are typically held at THE WOODWORKING SHOP of Charlotte, 116M Freeland Lane, Charlotte, NC. Exceptions will be announced well in advance. If you need directions to the shop, visit their web site at <http://www.woodworkingshop.com> and click on the link to "Store Locations".

Following a social and refreshment time that starts at 5:30pm, our meetings start at 6:00pm. Get to the meeting early and get to know your fellow woodworking enthusiasts. Please refrain from placing food, drinks and trash on worktables and shelves around The Woodworking Shop, they have allowed us to use their facilities and being a good guest is, well just the right thing to do.

Charlotte Woodworking Show - March 7-9, 2003

The Charlotte Woodworkers Association will have a booth at the Woodworking Show being held in Charlotte in early March. We will have two tables and electricity in our booth. We need volunteers to staff the booth during the show and we need ideas as to how we can attract visitors to our booth. If you'd like to volunteer, you will receive a free pass at the door when you arrive for your scheduled shift. Ideas are welcome by mail or in person, but we need to have everything finalized by the close of our February meeting. If you can't make the meetings but have an idea, please send it to Wayne L.
